PAYMENT, FINANCING & FUNDING

For services at time of death:

Payment is due prior to the cremation being performed. If payment is not received by that date, then interest will accrue at a rate of 1.5% per month, which is equivalent to 18% per annum (APR). Payment may be made by cash, cheque, debit, Visa or Mastercard. No payment plans are available.

Pre-payment in advance of need:

For services and supplies that are being arranged pre-need, you may pay for the services and supplies at today's price, and we will place your money in a trust account/fund, where it will accrue interest until the prepaid contract is fulfilled (when the services and supplies are delivered). Pre-payment can be made by cheque, Visa or Mastercard. Funds are held in the purchaser's name.

Guarantee: When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid contract is guaranteed. The total payment(s) made plus interest / growth earned will be applied to the future price of the services and supplies. If the total payment(s) plus interest / growth earned are insufficient to cover the total future price of the prepaid services and supplies, we will absorb the difference as a loss. Any funds in excess of the total future price of the prepaid services and supplies will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

Additional information about payment, financing and funding options is available upon request.
